

GO GREEN – SAVE MONEY WIN PRIZES

Microlamp and G.E. have joined forces to bring you some great summer deals and rewards for your loyal patronage.

We are kicking off the summer with an open house. Come in and see the newest G.E. products. Our open house is Wednesday, June 2 and Thursday, June 3 from 3:00 p.m. to 7:00 p.m.

For the months of June and July we will be running specials on G.E. products. Not only will you save money on your daily purchases, but you will also be entered to win the grand prize of a 42” flat screen TV.

We will also be giving away weekly prizes during the program to the customer that purchases the largest amount of G.E. products in that period of time.

Contact your sales representative with any questions.
